

Arkansas Children's Hospital

Changing children's lives

Patients admitted to Arkansas Children's Hospital receive the finest medical treatment, emotional support and loving care available anywhere. However, children and families in the hospital have other special needs that are met through the generosity of individuals and organizations throughout Arkansas. Your donations of gifts of toys can go a long way toward brightening a hospital stay.

This year the Hospitality Committee has carefully chosen Arkansas Children's Hospital's *Gift and Toy Donation Program* as the charity to be sponsored and supported by the 2010 ArkACRAO conference.
